******** TESTED RECIPES.

Too Much Ment is Enten-There is no doubt, but that too much meat is eaten by the average family and that a greater proportion of cereals, fish and vezetables would improve the health of all. Unfortunately the idea that cereal foods do not play so important a part in the nourishment of the body, as animal foods, is incorrect. Analysis of the two kinds of food show a similar composition. composition.

In foods supplying all the necessary elements of life as eggs, milk and bread pleasing combinations are frequently made and may be served as a meat substitute. The change from the ordinary roasts, steaks and chops is most welcome cysters and cream soups may be used with effect.

MY FAVORITE RECIPE. Augel Parfnit.

Angel Parfait.

2 egg whites Ipt thick Cream

1 I-4 cups sugar I-2 boiling water
Boil sugar and water to long thread
stage beat egg whites until stiff.
Pour syrup over whites and beat until
cool, add mixture to cream, use 2
teaspoonsful extract, pack in lice
gream can or mould, let stand for two
hours, use one part sait, to 3 parts
ice.

White Grape Salad. 2 pounds of select white grapes.
1 rupful of pineapple cubes.
2 sliced bananas.
Pulp of two oranges.
3 dezens nuts.
Make a dressing of orange and lemon juice and a little sugar from overthe fruit and serve on lettuce leaf or a spray of parsley on the side of the plate.

A pinch of east added when beating eggs tends to cool them and they whip more quickly. Rancid fats may be used in soup making.

Keep a receptacle for fat left

Fat in which fish has been fried may be clarified by adding a few-slices of raw potato and heating until it ceases to bubble.

The color of vegetables may be preserved if allowed to cook in boilin water to which a pinch of sait has been added.

Never attempt to fry bacon ends Never attempt to fry bacon ends. Save them for boiling purposes.

HOME-MADE STAMPING.

To a clever needle woman, it is comparatively an easy matter to copy simple designs from shops for transfers on home-made articles. It the article is white or light Colored, a sheet of blue print, paper put on your copy and retraced makes a perfect transfer. If the article is dark, make your copy and perforate with a large pln or needle, then shake talcum powder through the perforators for quick work this makes a splendid transfer.
